

| Arts & Crafts 3 | | | | | | |
|--|---|--|---|---|--|---|
| • Where can we find art? | | | | | | |
| | Unit introduction | Lesson 1 | Lesson 2 | Lesson 3 | STEAM Challenge | Create and Reflect |
| 1. In books Page 5 Still images | Watch Find and count the items in the bookshelf Create a storybook | What's figure-ground relationship? Analyse: Figure and background Create: Watercolour background Illustration | How can we draw emotions? Analyse: Figure and background Watch Create: Paper emoji Comics | How can we frame a photo? Analyse: Portrait and landscape Create: Fairy-tale photo Photography | STEAM Challenge Pop-up books | Keep practicing: Portrait photos Landscape photos |
| 2. At the cinema Page 15 Moving images | Watch Play the game Draw the film | What types of camera angles are there? Analyse: Shots Create: Your own shots Animation | What are sequences and scenes? Analyse: Classic film sequences Create: Fantasy film scene Short films | How are films made? Analyse: Filmmaking Watch Create: Make a flipbook Filmmaking | STEAM Challenge Sound art in films | Keep practicing: High-angle shots Low-angle shots |
| Page 25 Project. Learning situation 1 Eco-friendly transport | | | | | | |
| 3. At the museum Page 27 2D: drawing and painting | Watch Play the game Learn and share information about artists' inspirations | How can we paint? Analyse: Irregular and geometric shapes Create: Paint like Klimt Drawing and painting | How do we use colour? Analyse: Colours Create: Paint Matisse with warm and cool colours Colour theory | What's photomontage? Analyse: Collage and photomontage Watch Create: Make a photomontage Collage | STEAM Challenge Natural pigments | Keep practicing: Mixing colours Collage |
| 4. In the countryside Page 49 3D: sculpture | Watch Escape from the maze Art material dominoes | What natural materials can we use? Analyse: Natural materials and textures Create: Using textures Assemblage | How do artists design sculptures? Analyse: Symmetry Create: Symmetrical sculpture Modelling | Why is there empty space in a sculpture? Analyse: Outdoor environmental sculpture Watch Create: Design a sculpture for a place Sculpture | STEAM Challenge Kinetic sculpture | Keep practicing: Assemblage Sculpture |
| Page 47 Project. Learning situation 2 Celebrate endangered animals | | | | | | |
| 5. In the street Page 49 Art in my world: design | Watch Play the games, find the signs. Recreate street art | What are posters for? Analyse: Communicative and expressive posters Watch Create: Make a printed poster Printmaking | How can we use lines? Analyse: Keith Haring's characters Create: Line-drawn characters for a mural Visual communication | What can we see in the street? Analyse: Find symbols in the street Create: Street replica Graphic design | STEAM Challenge Pop-up books | Keep practicing: Signs Symbols |
| 6. At the theatre Page 59 Art in my world: architecture | Watch Find the differences Draw a theatre play | What types of plays are there? Analyse: Comedy and drama Watch Create: A theatre puppet Genre | What are the parts of a theatre? Analyse: Theatre designs Create: A theatre stage Civil architecture | How do we design stages? Analyse: Classic theatre backdrops Create: Make your own theatre backdrop Architecture | STEAM Challenge Theatre capacity infographic | Keep practicing: Comedy Drama |

Page 69 **Project. Learning situation 3 Upcycled art**

- Talk about art in every unit
- WebQuest in every project

Watch unit videos and craft videos

Key competences

- Linguistic communication
- Mathematical, Science, Technology and Engineering (STEM)
- Digital
- Personal, social and learning to learn
- Entrepreneurship
- Citizenship
- Cultural awareness and expression
